

Ricci Vineyards | Carneros

2020 Pinot Noir • Pommard Clone

As with many vineyard operations in Sonoma County, 2020 proved to be a very challenging year. Another round of devastating wildfires ripped through the region and the majority of would-be grape yields fell victim to smoke taint.

Ultimately most of what we salvaged from our 2020 Pinot Noir crop ended up going into our Pommard Clone Pinot Noir. Surprisingly, this wine has continued to defy expectations and has resulted in much more than what we could have hoped for. Evolving into a truly beautiful wine, our 2020 Pommard Clone is a shining beacon of perseverance and resolve. The staple elements of menthol, cola, vanilla and red fruit exuberantly showcase themselves and make this wine one of the only good things to come out of the 2020 Pinot harvest.

Enjoy!
